Forwarding a memorial of N. Abdurzzahir, Deputy Inspector of Vaccination of Shimoga district

V.E. SOOBBIAH AND SONS, PRINTERS, FORT, BANGALORE—1913.

The humble Memorial of N. Abduz Zahir, Deputy Inspector of Vaccination, Shimoga District.

To

M. VISVESWARAYA, ESQUIRE, B.A., C.I.E.,

Dewan of Mysore.

Respectfully Sheweth:-

That your humble memorialist entered Government service as an English Schoolmaster in the City Municipal School, Bangalore. He subsequently passed the Police Inspector's Examination in 1898, and was entertained as clerk in the Police Inspector-General's Office. He took up the present appointment in 1900 in the hopes of bettering his prospects as some of the Deputy Inspectors of Vaccination had then been made Amildars. But provision had been made in the health scheme sanctioned in the Government Proceedings No. 1378-92/San.93-06-8 dated 10th August 1907, to promote the Deputy Inspectors of 1st and 2nd grades (Rs.40 and 60) to the grades of Sanitary Assistants of Rs.80 and 100 respectively, after their training as Sanitary Inspectors either at Madras or elsewhere. Accordingly, almost all of his brother officials, many of them his juniors, with the exception of those that died

retired, were given a chance, and unfortunate memorialist was told to take his chance wher a school for the training of Sanitary Inspectors was opened in the Province.

Seeing that the opening of the said school was a question of years, your memorialist managed to obtain permission from the Bombay Government to join the Sanitary Surveyors' class there, and subsequently the Sanitary Inspector's class was also opened in Bangalore, and when the Sanitary Commissioner was pleased to recommend his case, to the Government, they were pleased to order that it was not intended to appoint any more to the Sanitary Assistant's grade. (Vide docket No.2391 dated 20th September 1912 from the Secretary to Government to the Sanitary Commissioner).

2. That your humble memorialist has patiently worked in the present grade, Viz. Rs.40, without any promotion for all these 13 years, and that the order of the Government mentioned above has greatly discouraged and disheartened him.

3. Later on, the Sanitary Commissioner was pleased to recommend him for promotion to the first grade of Deputy Inspector of Vaccination, viz. Rs.60, that fell vacant in May 1912 by the retirement of the Deputy Inspector of Mysore, and his fate even here remains undecided to this date.

4. Had he remained in the Police Department and worked with half as much zeal and approbation as in the present Department, he would have been in a better position as so many of his contemporaries have been.

5. That your humble memorialist is aged 36 years and has a good many years to serve Government usefully.

6. That your humble memorialist prays that his unfortunate case may be generously considered and that he may be given a chance to qualify himself for the Sanitary Assistant's place under the Health Scheme like so many of his brother officials who have been now acting as Sanitary Assistants.

The Sanitary class opens in Bombay on the 15th proximo. Your humble memorialist craves orders to join the said class and after coming out successful, he may be given the grade he is entitled to.

The Sanitary Surveyors' training in Bombay is considered to be superior to that in Madras, as the former institution is amalgamated with the Institute of Sanitary Science in London. (Vide copy of Prospectus submitted with the Memorialist's application to Sanitary Commissioner with No.A dated 14-1-1912, and Sanitary Commissioner's Memo No. 3023 dated 20-1-1912.)

7. In case it is not possible to promote him to the grade prayed for, his services may be transferred either -

i) to the Revenue Department and he may be taken as Deputy Amildar on probation until he passes his Revenue Examination;

ii) or he may be given a first or second grade Prosecuting Inspector's place in the Police Department as he has passed his Police Inspector's Examination, (Vide Police Fortnightly Gazette dated 15th January 1898), and also Criminal (Higher), M.L.S.Examination);

iii) or he may be drafted to the Education Department in the Hindustani Schools Inspecting staff: and what your humble memorialist is capable of doing in this Department, Mr. Hamza Husein, the District & Sessions

5

Judge, who is well acquainted with the educational requirements of the Muslim community and that which your humble memorialist has been doing and has done hitherto in that direction, apart from his legitimate duties, would testify to, if kindly referred to.

Copies of testimonials showing how his services have been appreciated from time to time in various phases of his service are hereto appended for your kind perusal.

Your humble memorialist has lagged behind for want of sufficient encouragement and he has at last ventured to approach you with this humble memorial with full hopes of justice being done to his neglected case.

He begs to remain,

Your most obedient servant,

K. M. Nazzahir

Mr. N. Abduz Zahir was the Second Anglo-Hindustani Master under me from 4th March 1895 to 2nd February 1898. During this period, he was in charge of a section of the First Form and discharged his duties conscientiously and to my satis-

faction. He was so much interested in the education of the Muhomedan boys that he would not have given up the work had there been sufficient encouragement in the Education Department. His good character and zeal for work will, I hope, crown his activities with success.
